Indraprastha Engineering College (IPEC)
Ghaziabad, India | Aug 2023 - Sep 2026

PROJECTS

Dot & Key (Personal Project)

Project Photos

Adobe Photoshop, Adobe Lightroom
A self-initiated project to enhance my resume by showcasing my photo editing and design skills. This project helped me refine my expertise in product photography and improve my portfolio.

Automobile Poster

Project Link

Adobe Photoshop, Adobe Lightroom
Designed automobile-themed posters to strengthen my graphic design skills and improve my proficiency in creative poster-making. This project was aimed at building a strong portfolio for freelance work.

Travelhub & Entertainment

Project Link

Adobe Photoshop
A project focusing on creating visually engaging travel and entertainment-themed designs. This helped in improving my ability to design compelling social media content while expanding my expertise in branding and digital marketing.

Film & Media Club(FMC)

Website

Adobe Illustrator, Photoshop
Redesigned the FMC IPEC logo, enhancing its creativity and professionalism while incorporating photography, media, and storytelling elements. The updated design is featured on the official website.
